

2007 ROCKET SCIENCE BY CALDWELL

Napa Valley Proprietary Red Estate Grown

Vintage:	Sixth
Composition:	67% Syrah, 20% Cabernet Sauvignon, 8% Merlot, 3% Tannat, 1% Carmenere, 1% Cabernet Franc
Appellation:	Napa Valley, Coombsville District
Vineyard:	Caldwell Vineyard Estate, established 1981
Elevation:	500 feet above sea level; Hillside, with 5% to 30% slopes
Climate	The Coombsville region, with its close proximity to the San Pablo Bay, has a very unique climate which allows for an extraordinarily long growing season without the extreme hot and cold temperatures that can be experienced in the rest of the Napa Valley.
Soils:	Shallow soils, 2 1/2 feet deep, reddish brown in color. Rare to Napa Valley, a combination of volcanic ash, Sobrante loam and stony clay and rocks.
Tasting Notes:	In the nose, a diverse bouquet of bright cherry, fresh cocoa, white pepper, black olive, cassis, clove, and leather are readily accessible. Notes of perfumed chamomile and fresh black tea leaves round it out. A focused cherry attack leads into a full mouth of raspberry and chocolate surrounded by well structured cocoa tannins. The mouth finishes long with luscious red plum and sweet vanilla.
Ageing:	3 – 6 years
Alcohol:	14.9%
Production:	1,850 cases
Price:	\$48 per 750ml bottle \$135 per 1.5L magnum
